2025

Live your best life with Peoples Health.

Peoples Health is the choice of more than 110,000 people with Medicare in Louisiana. Founded in 1994 by medical providers and physicians, we focus on one thing: helping people with Medicare enjoy the best health possible.

Today, Peoples Health is part of the UnitedHealthcare® family of plans. Peoples Health has a long history of caring, compassionate, one-on-one service for our plan members. That commitment remains.

Peoples Health plan types

Peoples Health PPO (Preferred Provider Organization) plans let you choose in- or out-of-network providers. In most cases, you'll have lower out-of-pocket costs for services received in-network. We offer two PPO options, one with Part D drug coverage and one without.

The following plan types are covered in separate booklets:

Peoples Health HMO-POS* (Health Maintenance Organization) plans feature coordinated care through our extensive network of providers. Most of these plans include Part D drug coverage.

Peoples Health HMO-POS* C-SNPs (Chronic Condition Special Needs Plans) are designed for people with diabetes, cardiovascular disease or chronic heart failure, and include benefits and services tailored to support these conditions.

Peoples Health HMO-POS* D-SNPs (Health Maintenance Organization Dual-Eligible Special Needs Plans) are available to people who have both Medicare and Medicaid. If you have both Medicare and medical assistance from the state, ask about our D-SNP options. You may be entitled to additional benefits.

*Point-of-service (POS) option allows out-of-network dental services. Those out-of-network services may have a higher cost to members. Dental coverage maximums vary by plan.

Peoples Health + UnitedHealthcare

Since joining the UnitedHealthcare family, we've been able to expand many benefits and services. Members of the Peoples Health plans described in this booklet can enjoy:

UCard—Get simplified access to care and benefits through your member ID card. Most Peoples Health plans offer an allowance for purchasing over-the-counter items. The allowance is loaded onto your member ID card, called a UCard. You can use this allowance to purchase covered items. Your UCard also lets you access your fitness benefit. No need to carry a separate fitness center membership card.

UnitedHealth Passport® program—Peoples Health has always offered worldwide emergency and urgent care coverage. Through the Passport program, you can also access plan-covered services while traveling outside your plan service area in the United States. The Passport program lets you access covered services with participating providers in the Passport service area at in-network costs.

Still, the best part is this: As a Peoples Health plan member, you enjoy the quality that comes from people who really care. Peoples Health is a company born and raised in Louisiana, and our members have been our neighbors, our friends and our family. It's simple. We want you to enjoy the best health possible.
